

Volunteer assistant

Required for Wriggle Dance Project in Corby Schools

Are you interested in dance or the wider arts? Would you like to gain experience of working with Reception and KS1 children?

Wriggle are looking for a volunteer assistant, to assist with the set up and running of 4 screenings days in Corby schools of their interactive film 'Squidge', a film about our sense of touch made for children 3-8yrs.

This opportunity would suit a recent graduate looking to gain experience in working in the arts, or someone who is generally interested in Wriggles work and would just like to get involved.

Squidge the film

'Squidge the film' is an immersive interactive experience for children 3-8 years.

Do you squish or squash, tickle or most certainly not, handshake or hug, stretch out or snuggle in like a bug? 'Squidge' is a fun interactive dance film with music and digital projection, which takes a light-hearted look at our sense of touch and how it influences our everyday lives. At the heart of the piece is a tale of friendship, compromise and how each and every one of us need touch to make us feel alive!

The children are seated in interactive seating areas, with boxes which magically light up at moments throughout the film and are full of exciting textures for little hands to explore! Expect slimy fun and lots of bubbles....
